

FastOffice Platform Guide

2026-08-19 | <https://office.fastsmc.com>

FastOffice is the open-source productivity suite and control plane for FastDocs, FastSheets, FastSlides, FastDrive, FastMeet, FastInsights, FastMail, FastCalendar, and FastPilot.

Your work. Your data. Your freedom.

The image shows the FastOffice website landing page. At the top, there is a navigation bar with the FastOffice logo (a blue circle with a white 'F') and the text 'FastOffice'. To the right of the logo are links for 'Products', 'FastPilot', 'Open source', 'Partners', and a 'Sign In' button. Below the navigation bar, the main content area features the heading 'ONE OPEN WORKSPACE' in small blue letters. The primary headline is 'Your work. Your data. Your freedom.' in large, bold, black and blue text. Below this, a paragraph states: 'Discover the freedom of an open-source workspace—documents, spreadsheets, presentations, files, meetings, mail, calendars, insights and AI in one connected suite.' There are two buttons: a blue 'Sign In' button and a white 'Explore the suite' button with a blue outline. Below these buttons, a list of features is shown with checkmarks: 'Open source', 'Self-hostable', 'AI-native', and 'No per-seat lock-in'. On the right side of the main content area, there is a large, stylized image of the FastOffice application interface. This interface mockup shows a 'GOOD MORNING' greeting, a question 'Where will your ideas go today?', a search bar for 'Ask FastPilot anything...', and three buttons: 'Draft a brief', 'Analyse sales', and 'Plan a meeting'. A 'Recent' sidebar on the right lists items like 'Q3 strategy brief', 'Operating plan', and 'Board update'. The FastOffice logo is also visible in the top left of the application mockup.
